FleetNet America Unveils Redesigned Website

CHERRYVILLE, North Carolina, April 18, 2016 — FleetNet America®, an ArcBestSM company (Nasdaq: ARCB), today announces the launch of a new, redesigned version of its website, www.fleetnetamerica.com, which offers increased functionality and enhanced content.

FleetNet America provides private and for-hire commercial fleets with comprehensive fleet repair and maintenance services, helping customers improve their business by reducing downtime and maintenance events. The company provides service in the United States, Canada and Puerto Rico. The redesigned website features intuitive navigation for existing and prospective customers, and visitors to the site can easily access in-depth information about how FleetNet America gets its customers' fleets up and running faster than anyone else.

"We're very excited about our new website and the expanded capabilities it offers our customers," said Gary Cummings, president and chief executive officer of FleetNet America. "We're sure visitors will enjoy the improved usability of our website."

The new website also features a responsive design formatting to whatever device a user is viewing — desktop, tablet or smartphone.
